

Ciara, Rooted (ft. Ester Dean)

Young girl stay rooted
I done plant my seeds now
I am rooted
Brown skin poppin',
I am rooted
ATL bred
I am rooted
Rooted, nappy head rooted

All my songs come with melanin
Got the heart
Got the soul like Harriett
A queen since she born
That was evident
That's evidence of black excellence

I can tell a good dog when i am pettin 'em
Know that if i have the strap
He protectin' em
Mother of a child and God i invest in 'em
Nutritionin' brown milkin 'em

Young Rosa and young Luther
They keep marchin'
Flood gets come on over
But no it don;t stop 'em
I know that life it aon't easy

Your life it matters, believe me
Rule out the fakes and the frauds
They hide it behind a facade

I done plant my seeds now
I am rooted
Brown skin poppin',
I am rooted
ATL bred
I am rooted
Rooted, nappy head rooted
I done plant my seeds now
I am rooted
Brown skin poppin',
I am rooted
ATL bred
I am rooted
Rooted, nappy head rooted

All my rules stay embedded in
Hard work, let 'em know
Ain;t no trainin' in
Poppin' out
