

Ciara, Twerk a little

Wait a minute motherfucker!

You gotta twerk a little
It didn't work to me,
Now turn back and make a try
Now pick it up, get teasy with me and bundle me to stop
Now, you got that nigger, now you got that nigger, ya you got that nigger
Now, you got that nigger, now you got that nigger I'll show you how to really get you feels right

Now turn back and make a try

And DJ call for the last song
So, call it all night long
All around the world

You gotta twerk a little
It didn't work to me,
Now turn back and make a try
Now pick it up, get teasy with me and bundle me to stop
Now, you got that nigger, now you got that nigger, ya you got that nigger
Now, you got that nigger, now you got that nigger I'll show you how to really get you feels right
