Say what

You look good

(say it two times)

You look good good

(say it three times)

You look good good good

(say it four times)

Oh oh oh oh good

[verse 1]

I,i, like the way, way you get down, down

(thats the way I like it)

You're the kinda guy

That makes me feel proud

Don't have to show you're the boy, oh

I,i, like you the way that you are

[chorus]

I like my man undercover

Smooth dark brotha

Fly to the bone

You don't need no fly jeep

To come and scoop me

You can drive what you own

(thats the way I like it)

A man undercover

Smooth black brotha

Fly to the bone

Don't need no Gucci Sweater

To make you look better

You can wear what you own

I,i, love, love the way that you smile, smile

You, yo the type of guy

That got his own style

All I want to do is be with you

You, you got me feelin

The way that I do

[chorus]

I like my man undercover

Smooth dark brotha

Fly to the bone

You don't need no fly jeep

To come and scoop me

You can drive what you own

(thats the way I like it)

A man undercover

Smooth black brotha

Fly to the bone

Don't need no Gucci Sweater

To make you look better

You can wear what you own
