

Claudia Church, Just As Long As You Love Me

(Keith Sykes)

I want to be with you
Just as long as you love me
Yes, I want to be with you
Just as long as you love me
I can climb the mountain high
I can spread my wings and fly
But, I could never say good-bye
Just as long as you love me

I'm as tall as a live oak tree
Just as long as you stay with me
I'm everything that I want to be
Just as long as you stay with me
I can give my heart and soul
I can give you love untold
But, I could never stop I know
Just as long as you love me
Just as long as you love me

I wanna be with you
Just as long as you want me to
Yes, I want to be with you
Just as long as you want me to
I can climb the mountain high
I can spread my wings and fly
But, I could never say good-bye
Just as long as you love me
Just as long as you love me
Just as long as you love me
Just as long as you love me
