

# Clean Bandit, Sad Girls (feat. Rema)

Sad girls  
Sad girl, I promise, you'll be okay  
(Another banger)

Money on my mind, guess you fantasize  
Levels to the remedy stuck in my mind  
Told my momma, shit, I promise we gon' be alright  
Still I keep you awake at night  
Yeah, get it in, only way I'll get it out  
At least I made my brother proud  
I be ridin' 'round, they tryna find me now  
I'm feelin' happy, I ain't always down, yeah  
I know she feelin' me, no therapy, I'm the realest G, I know  
LSD so I feel the breeze  
I got the sad girls feeling like I'm ecstasy  
I got this one gyal telling me that I'm the one  
Came close, had to [?] when I jam my gun  
Got more time when they feel the drums  
Got the bass on my mind when I'm feelin' numb

Got my little darling, we gon' fly to the sky  
I'll be drinking 'til the feeling in my head goes dumb  
Yeah, I'm walkin' on clouds, is it real?  
I be trippin' with her body but I [?]  
'Cause I like her but this girl a Gemini  
And she, and she really got me trapped right now  
Are you feelin' the vibes, is it real?  
I can't hear you when the music be up so

(Promise you'll be, I promise you'll be okay)  
I'll be drinking 'til the feeling in my head  
(Promise you'll be, I promise you'll be okay)  
(Sad girl, promise you'll be okay)  
(Promise you'll be, I promise you'll be okay)  
I'll be drinking 'til the feeling in my head  
(Promise you'll be, I promise you'll be okay)  
(Sad girl, promise you'll be okay)

There's something I see about this girl different  
From the first time I saw her  
For a moment she look like a loner  
When she move on the dancefloor  
She got the vibe, she got that essence where nobody else fi belong  
I can tell she a sad gyal, love sad boy, this side she be on

Oh, party's over  
She cryin' outside  
I asked her, "What's wrong?"  
She said, "Leave me alone"  
I don't want your love  
Kiss me and just go  
I think she's, I think she's a sad girl

Got my little darling, we gon' fly to the sky (Oh-oh)  
I'll be drinking 'til the feeling in my head goes dumb  
Yeah, I'm walkin' on clouds, is it real? (Oh-oh)  
I be trippin' with her body but I [?]  
'Cause I like her but this girl a Gemini (Oh-oh)  
And she, and she really got me trapped right now  
Are you feelin' the vibes, is it real? (Is it real?)  
I can't hear you when the music be up so

(Promise you'll be, I promise you'll be okay) (Sad girl)  
I'll be drinking 'til the feeling in my head

(Promise you'll be, I promise you'll be okay) (Sad girl)  
Promise you'll be okay  
(Promise you'll be, I promise you'll be okay)  
I'll be drinking 'til the feeling in my head  
(Promise you'll be, I promise you'll be okay) (Sad girl)  
Promise you'll be okay

And I feel like I'm floatin' through the sky  
Baby, tell me if you feel what I feel  
I'm imaginin' us smokin', feelin' high  
Got this Cali in my pack for the chill  
She told me come and fly to this paradise  
I got feelings in my body and they never lie  
All this liquor in my cup's got me feelin' right  
I don't care about my issues when I feel alive, yeah
