

Clean Bandit, Tick Tock (ft. Mabel, 24kGoldn)

Tick Tock
Tick Tock
Tick Tock
Tick Tock

I don't need no other
I am satisfied
Doing it on my own
Only takes one other to change your vibe
Ain't that the way it go

Don't need no body
But you're on replay
Caught up in a memory
When you touch my body and
You say my name

Giving me what you need

Tick Tock
Tick Tock
Tick Tock
Tick Tock

Every minute, so lost in it
Like you're in my bed
Every hour, give you power
I am losing mine instead
Tick Tock
Tick Tock

24/7 i got you on my mind
Think about you all the time
My body wants you night and day
But my head is screaming: GO AWAY!

24/7 i got you on my mind
Darling, I don't have the time
My body wants you night and day
I am losing all control of me

24/7 i got a place with your name on it
Just in case
You're coming out
No time to think it, too busy
Dancing and drinking

Know you been meaning to get up out of your house
Baby, throw that Fendi on the floor
Addicted to your loving
Need some more
Heard you want my body
I want yours
You already know what I already know

24/7 i got you on my mind
Think about you all the time
My body wants you night and day
But my head is screaming: GO AWAY!

24/7 i got you on my mind
Darling, I don't have the time
My body wants you night and day
I am losing all control of me

Every minute, so lost in it
Like you're in my bed
Every hour, give you power
I am losing mine instead
Tick Tock
Tick Tock

24/7 i got you on my mind
Think about you all the time
My body wants you night and day
But my head is screaming: GO AWAY!

24/7 i got you on my mind
Darling, I don't have the time
My body wants you night and day
I am losing all control of me
