

# Cleo, #Hot16Challenge2

step this for a hope  
you got to get up when you fall  
everyday is a chance  
to achieve what you want

and when I am hurt  
I celebrate my scars  
and they build better me  
they reminding me to fight for my dreams

I'm a fighter  
I'm a fighter

everything's gonna be alright  
everything's gonna be okay  
everything's gonna be alright

I'm allowed myself to fly  
Fly  
I'm the creator of my own mind  
my own mind

I'm the wizard  
of my life  
I will fight until I die  
this is my life  
my life  
I'm the wizard  
of my life  
I will fight until I die  
this is my life  
my life

everything's gonna be alright  
everything's gonna be okay  
everything's gonna be alright
