

Click Five, Happy Birthday

hey you, i know i'm in the wrong
time flies when you're having fun

you wake up another year is gone you're 21
i guess you wanna know
why i'm on the phone
its been a day or so
i know its kinda late
but happy birthday

yeah yeah woah woah
i know you hate me
yeah yeah woah woah
well i miss you too
yeah yeah i know
i know it's kinda late
but happy birthday

so hard when you're far away
its lame but i forgot the days
i wont make the same mistake
i'm so too blame

so now you know
don't hang up the phone
i wish i was at home
i know its way to late
but happy birthday

yeah yeah woah woah
i know you hate me
yeah yeah woah woah
well i miss you too
yeah yeah i know
i know its kinda late
but happy birthday

its not that i don't care
you know i'll make it up to you
if i could i'd be there

yeah yeah woah woah
yeah yeah woah woah
well i miss you too
yeah yeah i know
i know its kinda late
but happy birthday
i know you hate me
yeah yeah woah woah
well i miss you too
yeah yeah i know
i know its kinda late
but happy birthday

to you.
