## Cliff Richard, Mean Streak

Well, you stand there honey, with you hands on your hips Well, its stoppin your feeling, baby, button your lips Yeah, you stand there honey with the devil in your eyes You say youre gonna leave me, but I know its a lie Uh uh honey, you got a mean streak Uh uh baby, you got a mean streak Well, if you wanna stay with me, be my lovin honey You must lose your mean streak You look so cute and you walk so nice Oh but your hide is as mean and as cold as ice Well, I found my heart, it was a big kind of faster And I know I was living in disaster Uh uh honey, you got a mean streak Uh uh baby, you got a mean streak Well, if you wanna stay with me, be my lovin honey You must lose your mean streak Well, youre standing there honey, and youre looking so pretty Well, Im gonna leave you standing there in a pity Well, you took my love and you threw it away And I know whats gonna happen to you someday Uh uh honey, you got a mean streak Uh uh baby, you got a mean streak Well, if you wanna stay with me, be my lovin honey You must lose your mean streak Yeah, mean streak Oh baby, mean streak Oh honey, mean streak Oh, mean streak
