

# Clifford T. Ward, Maybe I'm Right

Lately you are the girl I'm dreaming about  
And if I should venture to say  
Would you think me too forward or something like that  
Would you turn me away?

Maybe I'm right, maybe I'm wrong  
But I get the feeling your love could be strong  
I might be misled, these feelings wasted  
So why don't you guide me and be mine tonight, tonight.

Simply, you are the girl I cannot erase  
For me there can be no doubt  
No matter what I do, my mind is a maze  
And you are the only way out.

Maybe I'm right, maybe I'm wrong  
But I get the feeling your love could be strong  
I've waited alas, but love has no compass  
Why don't you guide me and be mine tonight.

Tonight - Tonight - Tonight - Tonight  
Tonight - Tonight - Tonight - Tonight  
(Repeat and fade).
