

Clique Girlz, So hard so far

I was young and I didn't know
How it feels when your heart gets broken
I was young how was I supposed to know
It would hurt so bad I'd cry
Some days are down
Some days are cool
Some days I fly
Some days I fall
But it always comes back, comes right back to
I don't wanna let it go
I just can't let it go
Said I don't wanna let it go
I just can't let it go
It's so hard, so hard
When you're so far
And you're breaking my heart
How's it over
We were supposed to
Be together for life
It's so hard, so hard
When you're so far
And you're breaking my heart
It's so hard
You're so far away
It hit like a hurricane
Like wind and rain
I'm blown away, so broken
Now my heart will never be the same
And it hurts so bad
Feels like I'm gonna die
Some days are down
Some days are cool
Some days I fly
Some days I fall
But it always comes back, comes right back to
I don't wanna let it go
I just can't let it go
Said I don't wanna let it go
I just can't let it go
It's so hard, so hard
When you're so far
It's breaking my heart
How's it over
We were supposed to
Be together for life
It's so hard, so hard
When you're so far
And you're breaking my heart
Seems like it's everyday
I can't stop missing you
I'm starring at these walls
I'm waiting for your call
I'm really hurting
And there's nothing I can do
When will it ever end
I can't believe this is the end
I can't believe this is the end
I can't believe you were my friend
Oh
I don't wanna let it go
I just can't let it go
Said I don't wanna let it go
I just can't let it go
It's so hard, so hard

When you're so far
It's so hard, it's so hard
How's it over
We were supposed to
Be together for life
It's so hard, so hard
When you're so far
And you're breaking my heart
It's so hard
Said I don't wanna let it go
I just can't let it go
(You're so far away)
Said I don't wanna let it go
I just can't let it go
So hard, so far
It's so hard
