Clique Girlz, Who wouldn

What kind of idiot
Would give up something serious
I wouldnt if I had the chance
What kind of stupid fool
Would try to play it super cool
I wouldnt if I had the chance
Dont be so far
Youre always treating him wrong
Playing like its some kind of game
What kind of crazy loser, stupid fool
That they would let the perfect one get away
Im so confused
Cause she calls him useless
What did I miss
Who wouldnt wanna be in love
Who wouldnt wanna be in love with him
Ive just got everything a like
With him
Hell stitch your heart everytime
Who wouldnt wanna be in love
Who wouldnt wanna
Who wouldnt wanna
Be with him
Its so good, its so good
Yeah yeah
Its so good, its so good
When they go out together
I wish it was us instead
Or her just sat there wasting his time
(shes wasting his time)
I know hes sick of it
Bu t looking how he deals with it
Thats how Im always one of a kind
Dont be so far
Youre always treating him wrong
Playing like its some kind of game
What kind of crazy loser, stupid fool
That they would let the perfect one get away
Im not so sure
But I think shes useless
Shes gonna miss
Who wouldnt wanna be in love (who who)
Who wouldnt wanna be in love with him
Ive just got everything a like
