

Close To Home, Chuggin Is For Choo Choo's

Oh can you see the sights,
Is this all a dream,
Or is this violence part of the fakest scenes,
You are so numb,
Another fake, such a replication,
A bitter taste, for the latest fashion

There's something wrong here,
Take a look around and see,
There's something wrong here,
Is this really happening,

You look so ignorant,
Boy what you trying to prove,
Your not original,
Come on now bust a move,
Look at him go

I'll show you what it means to love

[Chorus]

They'll never see this coming,
They'll never know,
They'll never see this coming,
Hold tight and never let go
Let go

[Chorus]

They'll never see this coming,
They'll never know
