

# Close To Home, Chuggin Is For Choo Choo's

Oh can you see the sights,  
Is this all a dream,  
Or is this violence part of the fakest scenes,  
You are so numb,  
Another fake, such a replication,  
A bitter taste, for the latest fashion

There's something wrong here,  
Take a look around and see,  
There's something wrong here,  
Is this really happening,

You look so ignorant,  
Boy what you trying to prove,  
Your not original,  
Come on now bust a move,  
Look at him go

I'll show you what it means to love

[Chorus]

They'll never see this coming,  
They'll never know,  
They'll never see this coming,  
Hold tight and never let go  
Let go

[Chorus]

They'll never see this coming,  
They'll never know
