

Close Your Eyes, Friends Are Friends Forever

Can you tell me how this ends?
I've never been so close to anyone as you.
It feels like I'm dreaming; don't wake me up.

Today is for the living,
And I am on my last breath.
(My last breath)
The air seems so stale;
I force my lungs to inhale.
I'll be alright,
As long as you're here by my side!

Sell short,
When you are so much more.
You're so much more than I deserve!

You're always there to lend a hand.
That's why I'll be right here next to you until the end.
Never giving up;
You're always there to lift me up
When times get tough
When times get tough.
Hopes and dreams- they are shared by you and me.
This is where I want to be. You are my family!

Sell short,
When you are so much more.
You're so much more than I deserve!

You and I we built this together.
Every brick, this is ours to make or break.
All the blood, the sweat, and the tears.
Everything's been worth it,
And I will protect this
Until my last dying breath.

OH!

Don't leave me here alone
Cause I need you
Don't leave me here alone
For nothing
Don't leave me here alone
Cause I need you
Don't leave me here alone
Don't leave me here alone

I won't leave you here alone
We stand by each other
I won't leave you here alone
We stand by each other
