

Clouds, Blade

Got a blade to my face
Got an axe to my hips
Got me some horny lips
Gotta
Get a clamp round my waist
Gotta
Gotta
Gotta
Gotta
Gotta fix my form

Get a plough for my thighs
Get some glue for my eyes
Get my tits full of goo,
Gonna
Get a bomb to the rest
Gonna
Gotta
Gotta
Gotta
Gotta fix my form

Gotta (gotta)
Gotta (gotta)
Gotta (gotta) fix my form

Got a blade
Got a blade
Gives me perfection
Got a blade

Gonna break up my nose
Gonna shave off my beard
Gonna cut up my ears
I'm gonna
Gonna make me a ten
Gonna
Gonna
Gotta
Gotta
Gotta fix my form
Gotta (gotta)
Gotta (gotta)
Gotta (gotta) fix my form

Got a blade
Got a blade
Gives me perfection
Got a blade
