

# CNCO, Little Mix, Reggaetón Lento (Remix)

Boy, I can see the way you dancing, move that body  
I know it's crazy, but I feel like you could be the one I've been chasing in my dreams  
Boy, I can see you're looking at me like you want it  
Usually I'm like, "whatever"  
But tonight, the way you moving got me with my mind

It started when I looked in her eyes  
I got close and I'm like "Bailemos", eh  
La noche está para un reggaetón lento  
De esos que no se bailan hace tiempo  
Yo sólo la miré y me gustó  
Me pegué y la invitó: "Bailemos, eh?"  
So now we dancing un reggaetón lento  
Just get a little closer, baby let go

Excuse me baby boy, just had to dance with you now  
See there's nobody in here that comes close to you, no  
Your hands are on my waist  
My lips you wanna taste  
Come muévete, muévete, muévete

Our bodies on fire, with full of desire  
If you feel what I feel, throw your hands up higher  
And to all the ladies around the world  
Go ahead and muévete, muévete, muévete

It started when I looked in her eyes  
I got close and I'm like "Bailemos", eh  
La noche está para un reggaetón lento  
De esos que no se bailan hace tiempo  
Yo sólo la miré y me gustó  
Me pegué y la invitó: "Bailemos, eh?"  
So now we dancing un reggaetón lento  
Just get a little closer, baby let go

Do you know I like you when I take you to the floor (the floor)  
I know you like this reggaetón lento (lento)  
This ain't stopping baby 'til I say so  
Come get, come get some more

Boy, I wish that this could last forever  
Cause every second by your side is heaven  
Oh, come give me that, give me that boom, boom, boom, oh  
I tell you baby, baby, you baby, you get me hotter  
Loving made me sick, made me sick, you my doctor  
Don't you know you're playing with fire tonight  
Can we get it right here one more time

It started when I looked in her eyes  
I got close and I'm like "Bailemos", eh  
La noche está para un reggaetón lento  
De esos que no se bailan hace tiempo  
Yo sólo la miré y me gustó  
Me pegué y la invitó: "Bailemos, eh?"  
So now we dancing un reggaetón lento  
Just get a little closer, baby let go

Yo sólo la miré y me gustó  
Me pegué y la invitó: "Bailemos, eh?"  
La noche está para un reggaetón lento  
De esos que no se bailan hace tiempo

It started when I looked in her eyes  
I got close and I'm like "Bailemos", eh

So now we dancing un reggaetón lento  
Just get a little closer, baby let go

Muévete, muévete  
Báilalo, báilalo  
So now we dancing un reggaetón lento  
Let's get a little closer, slow the tempo  
Muévete, muévete (just dance with me now)  
Drop it low, drop it low  
So now we dancing un reggaetón lento  
Just get a little closer, baby let's go
