

# Cobra Starship, Anything For Love

Tell my friends I'm done, I'm not comin' back.  
Wanna fall in love, want another chance.  
Fortune fame and gold, yeah I got quite the life,  
But I'd trade it all, do anything for love, anything for love.

'Cause it's all I need, all I need  
All I need, all I need  
All I need, all I need  
A-a-all  
And it's all I need, all I need  
All I need, all I need  
All I need, all I need  
A-a-all  
Anything for love.

Tell me what it costs, tell me what's the price.  
I wanna fall in love, want to sacrifice.  
It's all become so dull,  
And I don't wanna play anymore,  
'Cause the only thing I want, is anything for love,  
Anything for love.

'Cause it's all I need, all I need (all I need)  
All I need, all I need (all I need)  
All I need, all I need (all I need)  
A-a-all  
And it's all I need, all I need (all I need)  
All I need, all I need (all I need)  
All I need, all I need (all I need)  
A-a-all  
Anything for love, do anything for love.

Any day now, any day,  
Love comin', love comin' back,  
Oh I now it's comin'  
Any day now, any day,  
Love comin', love comin' back,  
Oh I know.

Everyday I wake up and all my boys  
There's a chance to make it right, all right  
Do anything for love  
Do anything for love  
Everyday I wake up and all my boys  
There's a chance to make it right, all right  
Do anything for love

So tell my friends I'm gone (anything for love)  
I'm not comin' back (anything for love)  
I wanna fall in love, I want another chance (anything for love)  
They tell me that you don't care anymore, and I don't, no I don't don't  
Believe them.  
'Cause I just can't give up, do anything for love, anything for love.

'Cause it's all I need, all I need (ahh)  
All I need, all I need (ahh)  
All I need, all I need (ahh)  
A-a-all  
All I need, all I need (ahh)  
All I need, all I need (ahh)  
All I need, all I need (ahh)  
A-a-all  
Anything for love, do anything for love.  
Anything for love
