

Cochise, Dance

Let's fuckin' dance!

Dance with my obsession
Dance with my confession
Girl! Let's dance!

Dance with condemnation
Dance with my salvation
Girl! Let's fuckin' dance!

Dance
In your fucking cage
Dance
With Cochise girl

I'm gonna dance with all your body
I wanna take a ride
I'm gonna dance with all your money
I shot your body down

Dance with what you've got
Under tongue of lies
Girl! Let's dance!

Dance with what you're hiding
Under tongue of silence
Girl! Let's fuckin' dance!

Dance
In your fucking cage
Dance
With Cochise girl

I'm gonna dance with all your body
I wanna take a ride
I'm gonna dance with all your money
I shot your body down
Let's hush!
