

# Code 64, Without You

I don't know where you are  
I don't know why you left  
Please come back to me  
I'd love to have you near

I do not know where you are  
I do not know why you left  
But I do know  
That I miss you

Where are you now?  
What have you been up to?  
Do you remember me?  
Don't you know that I miss you?

"Without you  
Stones break my concrete  
Without you  
Things will never be the same again  
Without you"

Where are you now?  
Do you remember me after all this time?  
I don't know what to say  
I don't know if you would listen to me

Don't you know  
That I miss you

"Without you  
Stones break my concrete  
Without you  
Things will never be the same again  
Without you

Without you  
Stones break my concrete  
Without you  
Things will never be the same again  
Without you"

Am I here without you?
