Code Red, Someone Like You

All I ever wanted was someone like you
The girl I always dreamed of was just like you
Everytime I think of you
Know that I can't ever live without you
Without someone like you

I just wanna share my life with someone like you
Wouldn't have a care if she was just like you
Every night I fantasize
I just wanna look into your eyes
Wanna be with someone like you

CHORUS:
Someone like you
Gotta be true
Gotta be true
Someone like you
Just like you
Just like you

I never wanna be without someone like you
I don't need a reason 'cos the foot fits the shoe
Breakin' up is hard to rhyme
Lookin' back is such a waste of time
I don't wanna lose someone like you

All I ever wanted was someone like you
The girl I always dreamed of was just like you
Everytime I think of you
Know that I can't ever live without you
Without someone like you
