[V1:] You thought we'd be fine All these years gone by Now your askin me to listen Well then tell me bout everything No lies we're loosin time

[C:] Cause this is a battle
And its your final last call
It was a trial, you made a mistake, we know
But why arent you sorry, why arent you sorry, why?
This can be better, you used to be happy, try!

[V2:] You've got them on your side
And they wont change their minds
Now its over
And im feelin like we've missed out on everything
I just hope its worth the fight

[C:] Cause this is a battle
And its your final last call (Why'd you have to let it go)
It was a trial, you made a mistake, we know (cant you see you hurt me soo)
But why arent you sorry, why arent you sorry, why?
Things could be better, you can be happy, try!

[C:] Cause this is a battle
And its your final last call....
It was a trial, you made a mistake, we know(cant you see you hurt me so)
But why arent you sorry, why arent you sorry, why?
This can be better, we can be happy, try!
