

# Colbie Caillat, Circles

I was running in circles  
was only a matter of time  
before I found myself drowning in troubled lies  
was starring back at what I'd seen for a long, long time  
how did I break it?  
how did I clear my mind?

this feeling just gets better all the time  
so beautiful in front of me that I can't believe my eyes  
I know it from move ahead time is on my side  
I'm free from the circle  
there'll be no regrets this time

I was hiding in places I knew nobody could find  
until I found myself spinning in rewind  
was starring back at what I'd seen for a long, long time  
I had to break it  
I had to clear my mind

this feeling just gets better all the time  
so beautiful in front of me that I can't believe my eyes  
I know it from move ahead time is on my side  
I'm free from the circle  
there'll be no regrets this time

Hard times that I like to forget about  
so much I held inside  
god let it out  
it took a while to find it  
but now I'm here and I can't deny it

this feeling just gets better all the time  
so beautiful in front of me that I can't believe my eyes  
I know it from move ahead time is on my side  
I'm free from the circle  
there'll be no regrets this time
