

# Colby O'Donis, Game For You

She's so sweet, so innocent  
Naive, but I won't take advantage  
Of the fact that she fell in love  
No, no, no  
And I'll never ever make you cry  
No, I'll never tell a lie  
Even though the fellas  
Say that it's so obvious  
She don't know anythin' 'bout love  
But I'll educate you girl, cate you girl  
She don't know anythin' 'bout love  
But I'll educate you girl  
Girl, I got game for you  
If you don't want me to  
Then it ain't happenin'  
We can stay only friends  
'Cause girl, I got game for you  
But if you want me to  
Then it'd be happenin'  
And we could be more than friends  
Baby, don't be scared, the truth is  
I was there in your position  
Yes, I care, I was aware  
So I respect of it's importance  
It's a gift, don't wanna spoil it  
I'm aware that you care  
She don't know anythin' 'bout love  
But I'll educate you girl, cate you girl  
She don't know anythin' 'bout love  
But I'll educate you girl  
Girl, I got game for you  
If you don't want me to  
Then it ain't happenin'  
We can stay only friends  
'Cause girl, I got game for you  
But if you want me to  
Then it'd be happenin'  
And we can be more than friends  
Girl, I know in my heart  
That you wanna start with me  
And that could tear us apart, baby  
One day, you'll be all for me  
And I'll be all for you  
Girl, I got game for you  
If you don't want me to  
Then it ain't happenin'  
We can stay only friends  
'Cause girl, I got game for you  
But if you want me to  
Then it'd be happenin'  
And we could be more than friends  
Girl, I got game for you  
If you don't want me to  
Then it ain't happenin'  
We can stay only friends  
'Cause girl, I got game for you  
But if you want me to  
Then it'd be happenin'  
And we could be more than friends
