

Coldplay, A L I E N S

We were just about to lose our home
Diamonds ate the radio
Moving in the dead of night
We took photographs
Just some
Just so
History has some to know

We were moving at the speed of flight
Kids cry
If you
Want to
That's alright
If you
Want to
Hold me
Hold me tight
Just an alien

We were hovering without a home
Millions are UFO
Hovering on hope some scope
Tonight sees the light
And says
Fly if you
If you
Want to
That's alright
If you
But Want to
Call
Call this line
Just an alien
Just an alien

We just want get home again

Tell your lider
Sir or mam
We come in peace
We mean no harm
Somewhere out there
In the unknown
All the E.T.S
Are phoning home
Watching my life
On the skyline
Crossing your eyes
For a lifetime

Just an alien
Moving target
Target movement
A patch a corner
Of the spacetime

Just an alien
Turning toward it\
Turning pages
Over Asia
Crossing ages

Just an alien
We just want get home again
