

# Coldplay, Adventure Of A Lifetime

'Turn your magic on to me' - she'd say  
Everything you want's a dream away  
We're legends, every day  
That's what she told him

'Turn your magic on to me' - she'd say  
Everything you want's a dream away  
Under this pressure, under this weight  
We're diamonds

I feel my heart beating  
I feel my heart underneath my skin  
I feel my heart beating  
You make me feel  
Like I'm alive again  
Alive again  
You make me feel  
Like I'm alive again

Said I can't go on, not in this way  
I'm a dream, I die by light of day  
Gonna hold up half the sky and say  
'Oh, we're omen'

I feel my heart beating  
I feel my heart underneath my skin  
I can feel my heart beating  
Cause you make me feel  
Like I'm alive again  
Alive again  
You make me feel  
Like I'm alive again

'Turn your magic on to me' - she'd say  
Everything you want's a dream away  
Under this pressure, under this weight  
We're diamonds taking shape  
We're diamonds taking shape

If we've only got this life  
Then this adventure, more than I  
And if we've only got this life  
You'll get me through alive  
And if we've only got this life  
Then this adventure, more than I  
Wanna share with you  
With you, with you  
I said, 'oh', say 'oh'
