Coldplay, Bright New Dawn

Hold me tight dont let go Forever be yours in this bright new dawn Open up your eyes for a big new suprize Listen to me now in the bright new dawn

Fixing whats wrong seeing the people who dont belong we will try to hide are dispise but it always Corus: Nobody said it was easy together we can help change the world. come with me now on this Over all we have done good.

My heart is beating ever so quickly Dont shade your eyes from the bright new dawn
