

Coldplay, BrokEn

Lord, when I'm broken
And I'm in need
Feel that ocean
Swallowing me
Head is hanging
So sorrowfully
Oh Lord
Come shine your light on me

On that morning
Scared and blue
When I'm hungry
And thirsty too
Send this raindrop
Down to the sea
Oh Lord
Come shine your light on me

Oh, shine your light
Oh, shine a light
And I know
That in the darkness I'm alright
See there's no sun rising
But inside I'm free
'Cause the Lord will shine a light for me
Oh, the Lord will shine a light on me

Sing it now
