

Coldplay, Green Eyes

Honey you are a rock,
Upon which I stand.
And I come here to talk,
I hope you understand.

The green eyes, yeah the spotlight, shines upon you
And how could, anybody, deny you?

I came here with a load,
And it feels so much lighter now I met you.
And honey you should know,
That I could never go on without you.

Green eyes...

Honey you are the sea,
Upon which I float.
And I came here to talk,
I think you should know.

The green eyes, you're the one that I wanted to find,
And anyone who tried to deny you, must be out of their mind.

Because I came here with a load,
And it feels so much lighter since I met you.
Honey you should know,
That I could never go on without you.

Green eyes, green eyes...

Oh oh oh oh. (x4)

Honey you are a rock,
Upon which I stand..
