

# Coldplay, Ink

Got a tattoo that said "2gether thru life"  
Carved in your name with my pocket knife  
And you wonder when you wake up, will it be alright?  
Feels like there's something broken inside

All I know  
All I know  
Is that I'm lost wherever you go  
All I know  
Is that I love you so  
So much that it hurts

Got a tattoo and the pain's alright  
Just wanted a way of keeping you inside

All I know  
All I know  
Is that I'm lost in your fire below  
All I know  
Is that I love you so  
So much that it hurts

See the road begin to climb  
See your stars begin to shine  
I see your colors  
And I'm dying of thirst  
All I know is that I love you so  
So much that it hurts  
So much that it hurts
