

Coldplay, Lhuna

[Minogue]

All by myself,
I don't need anybody else.
I'm all by myself,
No him(?).
I'm all on my own.
Quiet these things (?) in my heart.
I'm all on my own, my own.

[Martin]

Hello, won't you let me come in?
(?) Can't you hear how much I'm suffering?
Hello, won't you let me know?
'Cause I'm all alone.
I'm all alone.

[Both]

We are dreaming
about [?]
The smell of hope,
the touch and the taste of our dreaming
about [?]
Hurry, simultaneously.

[Minogue]

I don't know what the time is,
I don't know where you've flown,
And I don't know why you're so far from home.

[Martin]

Hello, won't you let me come in?
[?] Can't you hear how much I'm suffering?
Hello, won't you let me know,
'Cause I'm all alone.
I'm all alone.

[Both]

We are dreaming
about [?]
The smell of hope,
the touch and the taste of our dreaming
about [?]
Hurry, simultaneously.
Hurry, if for goodness rings.
Oh, hurry, if fitness sees.
