Coldplay, Talk

Oh brother I can't, I can't get through I've been trying hard to reach you 'cause I don't know what to do Oh brother I can't believe it's true I'm so scared about the future and I wanna talk to you Oh I wanna talk to you

You can take a picture of something you see In the future where will I be? You can climb a ladder up to the sun Or a write a song nobody has sung or do Something that's never been done

Are you lost or incomplete?
Do you feel like a puzzle, you can't find your missing piece?
Tell me how do you feel?
Well I feel like they're talking in a language I don't speak
And they're talking it to me

So you take a picture of something you see In the future where will I be? You can climb a ladder up to the sun Or a write a song nobody has sung or do Something that's never been done, do Something that's never been done

So you don't know where you're going and you wanna talk And you feel like you're going where you've been before You tell anyone who'll listen but you feel ignored Nothing's really making any sense at all, let's talk Let's talk, let's talk
