Coldplay, Till kingdom come

Til Kingdom Come Steal my heart and hold my tongue I feel my time My time has come Let me in Unlock the door I never felt this way before And the wheels just keep on turning The drummer begins to drum I dont know which way Im going I dont know which way Ive come Hold my head inside your hands I need someone who understands I need someone, someone who hears For you Ive waited all these years For you Id wait 'til kingdom come Until my day, my day is done And say you'll come and set me free Just say you'll wait, you'll wait for me In your tears and in your blood In your fire and in your flood I hear you laugh, I heard you sing I wouldnt change a single thing And the wheels just keep on turning The drummers begin to drum I dont know which way Im going I dont know what Ive become For you Id wait 'til kingdom come Until my days, my days are done And say you'll come and set me free Just say you'll wait, you'll wait for me Just say you'll wait, you'll wait for me Just say you'll wait, you'll wait for me
