

# Coldplay, Up&Up

Fixing up a car to drive in it again  
Searching for the water  
Hoping for the rain  
Up and up /2x

Down up the canvas  
Working meal to meal  
Waiting for a chance to pick on your orange field  
Up and up /2x

See a pearl farm a diamond in the rough  
See a bird soaring high above the flood  
It's in your blood /2x  
Underneath the storm  
An umbrella is saying:  
"Sitting with the poison takes away the pain"  
Up and up /2x

We're gonna get it right  
Get it together right now  
Gonna get it  
Get it together somehow  
Gonna get it  
Get it together a nd flower  
We're gonna get  
Gonna get it  
I know  
Gonna get it  
Get it together and go  
Up and up and up

Lying in the gutter  
Aiming for a Moon  
Trying to empty out the ocean with spoon  
Up and up /2x

Yes, I wanna grow  
Yes, I wanna feel  
Yeas, I wanna know  
Sjow me how to hear it up  
Heal it up

Try and see the forest  
There in every seed  
Angels in the marble is waiting to be feed  
Just need love /2x  
When the going is rought  
Saying:
