

Coldplay, Warning Sign

A warning sign

I missed the good part, then I realised
I started looking and the bubble burst
I started looking for excuses

Come on in

I've gotta tell you what a state I'm in
I've gotta tell you in my loudest tones
That I started looking for a warning sign

When the truth is, I miss you

Yeah the truth is, that I miss you so

A warning sign

It came back to haunt me, and I realised
That you were an island and I passed you by
And you were an island to discover

Come on in

I've gotta tell you what a state I'm in
I've gotta tell you in my loudest tones
That I started looking for a warning sign

When the truth is, I miss you

Yeah the truth is, that I miss you so

And I'm tired, I should not have let you go

Ooooooooo

So I crawl back into your open arms

Yes I crawl back into your open arms

And I crawl back into your open arms

Yes I crawl back into your open arms
