Coldplay, Yellow(Corrected)

Look at the stars,
Look how they shine for you,
And everything you do
Yeah, they were all yellow.
I came along,
I wrote a song for you,
And all the things you do,
And it was called "Yellow."
So then I took my turn,
Oh what a thing took done,
And it was all yellow.
Your skin
Oh yeah, your skin and bones,
Turned into something beautiful,
You know
You know I love you so,
You know I love you so.
I swam across,
I jumped across for you,
Oh what a thing to do.
Cuz you were all yellow,
I drew a line,
I drew a line for you,
Oh what a thing to do,
And it was all yellow.
Your skin,
Oh yeah your skin and bones,
Turned into something beautiful,
You know,
For you I'd bleed myself dry,
For you I'd bleed myself dry.
It's true, look how they shine for you,
Look how they shine for you,
Look how they shine for...
Look how they shine for you,
Look how they shine for you,
Look how they shine...
Look at the stars;
Look how they shine for you,
And all the things that you do.
