

Collin Raye, If I Were You

You want to know where we go from here.
So many roads, but none that seem clear.
Is what we have enough to last a whole life through?
Who knows? Baby, who knows?

So you're asking me 'what do we do'?
'Cause time moves so fast, and the chances seem so few.
Is it too much to think that we could have it all?
Who knows? We may never know.

But if I were you I'd promise to live life for all it's worth.
Take all that you've been given and leave your mark upon this earth.
Trust your heart to show you everything you'll ever need.
And if I were you, I'd fall in love with me.

So hold me close, I'll kiss away your fears.
I won't promise the moon, but I promise to be here.
And what if together it gets better everyday?
Who knows? We may never know...

But if I were you I'd promise to live life for all its worth.
Take all that you've been given and leave your mark upon this earth.
Trust your heart to show you everything you'll ever need.
And if I were you, I'd fall in love with me.

If I were you, I'd fall in love with me.
