Colony 5, Fate

This must be fate like on the movie screens it's the first time for all is this really what I need?

Come back to me You belong here All the gods of this age will become enraged if you are not by my side

Give me time Give me your life I'll give you mine Two lovers entwined

This is fate it has to happen it's bound to be I know you're not free but fate can't be too late

Give me time Give me your life I'll give you mine Two lovers entwined
