

Connie Talbot, Ben

Ben, the two of us need look no more
We both found what we were looking for
With a friend to call my own
I'll never be alone
And you my friend will see
You've got a friend in me
You've got a friend in me
Ben, you're always running here and there
You feel you're not wanted anywhere
If you ever look behind
And don't like what you find
There's something you should know
You've got a place to go
You've got a place to go
I used to say, I am me
Now its us, now its we
I used to say, I am me
Now its us, now its we
Ben, most people would turn you away
I don't listen to a word they say
They don't see you as I do
I wish they were trying to
I'm sure they'd think again
If they had a friend like Ben
A friend
Like Ben
Like Ben
Like Ben.
