

# Coolio, Mary Jane

She's my inspiration,  
My part-time occupation,  
The catalytic intimidation of my quest for education  
No other can take her place then,  
No assimilation,  
So save your false accusations,  
I accept no imitations,  
That's the situation So without further hesitation,  
Let me continue my demonstration for the congregation,  
Break it down for all of ya'll simple and plain,  
I got love for a girl named Mary Jane.

chorus:

Whatch ya'll know about mary jane,  
How ya'll feel about mary jane,  
Ya'll don't know about mary jane,  
She's my main thing.

Whatch ya'll know about mary jane,  
How ya'll feel about mary jane,  
Ya'll don't know about mary jane,  
She make my heart sing.

As I walk along the edges of my mind and attempt to contemplate  
what it really is that makes me tick,  
I'm reminded of emotions that  
saturate my thoughts like sunshine,  
and no this ain't the first time,  
that i'm feeling this feeling that I'm feeling that,  
they don't know about my baby and ,  
It'll make a strong man stronger and a crazy man sane,  
I'm talking about mary jane,  
Mary ,  
Yes it opens me, and  
makes me see things in a way I'd never thought I'd see,  
Mary ease pain and mary never complains,  
mary jane penetrate your brain,  
know what I'm saying.

chorus

I'm not a first and I probably won't be a last,  
but I ain't mad at mary cause mary always make me laugh,  
Mary bring light to the darkness,  
Let me spark one up quickly,  
before they come and get me.  
Don't listen to what they say 'cause,  
mary never contrary  
Mary Mary Mary necessary extraordinary,  
Me and mary to the mortuary,  
Just one kiss from her sweet lips and,  
I become a visionary,  
Mary never the same,  
Mary Don't Change,  
Mary make a man walk a mile in the rain,  
Mary Mary Never temporary,  
She my sanctuary  
no other love compares,  
I'm the beneficiary,  
Some say if it's this good then it must be wrong,  
but mary make feel so good because mary lasts so long,  
mary Mary not no secondary sweeter than a cherry blackberyy, or strwaberry,  
Without my girl mary life ain't complete cause mary don't lie and

mary don't steal and mary don't cheat  
Let me Break it down for all of ya'll  
simple and plain.  
I got love for a girl named Mary Jane.

Chorus

I'm in love with mary jane  
I'm not the only one  
Mary likes to play around  
I let her have her fun  
She's not the kind of girl  
That you can just tie down  
Mary likes to spread her love  
And turn my head around  
I'm in love with mary jane  
She's my main thing  
She makes me feel alright  
She makes my heart sing  
And when I'm feeling low  
It comes as no surprise  
turns me on with her love  
take me to paradise

Chorus
