

# Corey Taylor, Samantha's Gone

Goodbye, God Bless  
Don't waste my time  
You got a dace like murder scene  
And the body of an enemy

Oh, fuck off and no offense  
Noow that i got mine  
It took a second to regret it  
I need a minute to forget it

We all got nothing to do  
Because the cash is gone  
Now i've got something to lose  
Because Samantah's gone  
We all got something to prove  
Because the stash os gone  
Now i've got nothing to lose  
Because Samantah's gone
