## Cornelius, Brazil

Where hearts were entertaining June We stood beneath an amber moon And softly murmured someday soon (Someday) We kissed (We kissed) And clung together

Then tomorrow was another day The morning found me miles away With still a million things to say

Now when twilight dims the sky above Recalling (thrills) of our love There's one thing that I'm certain of Return I will to old Brazil

(Return) Return (I will) I will (To old) To old Brazil
