

# Crab Invasion, CAPS

You can have a battle if you want  
and you can feel like leaving me for sure.  
Ask me what to do when all dries out?  
and what if it's much different in these particular times?

Big day has arrived; now it is over - look what you've done?  
USE THE CAPS LOCK ALL OVER, USE THE CAPS OR RESING.  
Stream of past delights is flowing over us. What we've done?  
USE THE CAPS LOCK ALL OVER, USE THE CAPS OR RESIGN.

I packed my discs, I'm ready for a change.  
Stars they say so - you feel sick with yourself.  
Fresh start, clean shirts, no sleep, jogging, it all starts with a first day of new year.  
And all those suckers can call me a sucker.

Big day has arrived; now it is over - look what you've done?  
USE THE CAPS LOCK ALL OVER, USE THE CAPS OR RESING.  
Stream of past delights is flowing over us. What we've done?  
USE THE CAPS LOCK ALL OVER, USE THE CAPS OR RESIGN.
