

# Craig Cardiff, Circus

How did you sneak in  
I thought all the doors had been closed  
But now that you're here  
I don't think I can stand to see you go

And I am only I am only I am only I  
And you are only you  
We are only we  
For a little while

With the night as our blanket  
And the ghosts in the yard  
When you lean in close and say  
"I think we can go far";

Me, I'm always drowning in the  
The water and the whiskey and the wine and  
And look how I've managed to  
To make a circus of us this time

And you say "I am only I am only I  
And you are only you  
And we are only we  
For a little while";

With the night as our blanket  
And the ghosts in the yard  
And you lean in close and say  
"I think we can go far";
