Intro

Say we do it again do it again come on

Craig David ooh yeah

Come on baby

Chorus

Fill me in

Let me know what's up baby

Can you fill me in?

Let me know what's up (2x)

Late last night you were chilling with you friends baby

Driving all the god damn guys crazy hey

You said now would you like

To take me for a ride honey

I said that would be just fine for me for me yeah

You come around and you were willing to drive

But it wasn't enough I guess you wanted me to come you way

You wanna ride & then tell me you wanna stay

No way ain't messing with the games you play

Chorus

Fill me in

Let me know what's up baby/

Can you fill me in?

Let me know what's up (2x)

So tonight we're gonna hit the club baby

Get up get you groove on party tonight ooh yeah

So don't you worry I'll be all over your body

Like chocolate over a turkish delight lady

Said you wanted to dance but then you wouldn't dance

But you wanted to play so slow it down Mr. dj

I guess the reason why you always seem to get you way

Is down to the games you play

Chorus

Fill me in

Let me know what's up baby

Can you fill me in?

Let me know what's up (4x)

Girl when I'm rubbing you down

And you're making those sounds

Ooh girl I know you like it like it

You make me feel so aroused

Hold it down in a crowd

Though I like the way you put it on me

Chorus/Outro

Fill me in

Let me know what's up baby

Can you fill me in?

Let me know what's up (to fade)
