

Craig Morgan, What You Do To Me

I get all choked up when you tell me you love me then whisper my name.
I get lost in your touch and I find myself
getting carried away,
to a far away place where I lose track of time
I cherish each minute endlessly
yeah that's what I do when you do what you do to me

Oh my heart goes crazy over you baby
when you do what you do
no if's and's or maybe's I'll always be in love with you

I get sentimental I get tears in my eyes
it happens so easily
yeah thats what I do when you do what you do to me

oh my heart goes crazy over you baby
when you do what you do
no if's and's or maybe's I'll always be in love with you

I still get a thrill just like the first time
but that ain't hard to believe
yeah thats what I do when you do what you do to me

yeah thats what I do when you do what you do to me
