

Crash Kings, 14 Arms

You can't say you'll start a revolution
Just because you're six feet into your head
And I won't lie, I'm singing evolution
But 14 arms will execute the point that I stress
But there won't be anything
Compared to what the world has shown us
We're nothing but a speck
Let's give them what they least expect
If the snake gets the rabbit in the end
Think twice, then pretend
To reverse the roles
And tell me what you think is the best
Should you take it like a monkey or a man?
Well God only knows
It's alright, lay your cards on the table
And throw your voice into the ring of the fight
And I won't lie, I'm willing and able
But 14 arms will execute the point, yeah execute the point
But there won't be anything
Compared to what the world has shown us
We're nothing but a speck
Let's give them what they least expect
If the snake gets the rabbit in the end
Think twice, then pretend
To reverse the roles
And tell me what you think is the best
Should you take it like a monkey or a man?
Well God only knows
