

# Crash Kings, 14 Arms

You can't say you'll start a revolution  
Just because you're six feet into your head  
And I won't lie, I'm singing evolution  
But 14 arms will execute the point that I stress  
But there won't be anything  
Compared to what the world has shown us  
We're nothing but a speck  
Let's give them what they least expect  
If the snake gets the rabbit in the end  
Think twice, then pretend  
To reverse the roles  
And tell me what you think is the best  
Should you take it like a monkey or a man?  
Well God only knows  
It's alright, lay your cards on the table  
And throw your voice into the ring of the fight  
And I won't lie, I'm willing and able  
But 14 arms will execute the point, yeah execute the point  
But there won't be anything  
Compared to what the world has shown us  
We're nothing but a speck  
Let's give them what they least expect  
If the snake gets the rabbit in the end  
Think twice, then pretend  
To reverse the roles  
And tell me what you think is the best  
Should you take it like a monkey or a man?  
Well God only knows
