

# Crimson Rockets, Meltdown

Screaming our hopes, our anger  
This is the final act  
Hidden in your paradise you fear us  
For we'll take it down

Our dreams are causing a meltdown  
We'll never let'em go /4x

This is our revolution you fed with  
Your arrogance  
Listen... can you hear us?  
Machineguns are all you've got

Our dreams are causing a meltdown  
We'll never let'em go /4x
