

# Cris Cab, Loves Me Not

She walked into the frame,  
She moved like water  
Before I know her name  
I want her again  
Now every other night we spend together  
And all I want to do is give her pleasure, yeaah!

And when I'm at her heart she's going down  
I'm shaking up, when she's not around  
It makes me? when I'm at the door?

I got to let her know I feel the same  
A girl like you shouldn't be playing those things  
I wanna show you more  
Give you all I've got  
She loves me so, she loves me not  
I got to let her know I feel the same  
A girl like you shouldn't be playing those things  
I wanna show you more  
Give you all I've got  
She loves me so, she loves me not /5x

I watch her sleep just like an angel  
But when she wakes she leaves right out there  
I know I'm playing in the danger,  
But I like the things she does to me yeaah!

I got to let her know I feel the same  
A girl like you shouldn't be playing those things  
I wanna show you more  
Give you all I've got  
She loves me so, she loves me not  
I got to let her know I feel the same  
A girl like you shouldn't be playing those things  
I wanna show you more  
Give you all I've got  
She loves me so, she loves me not /5x

But when I'm at her heart she's going down  
She loves me not  
But I'm at her heart she's going down  
She loves me not

I got to let her know I feel the same  
A girl like you shouldn't be playing those things  
I wanna show you more  
Give you all I've got  
She loves me so, she loves me not  
I got to let her know I feel the same  
A girl like you shouldn't be playing those things  
I wanna show you more  
Give you all I've got  
She loves me so, she loves me not /5x
